

ODESIE SERVICES

“Post test scores were over 50% higher after using odesie.”

Simply put, *odesie* is a one stop learning portal designed to meet the training requirements of a large and highly diverse audience. Built within the last three years, *odesie* is not only current, it uses modern and immersive technology such as virtual worlds and engaging, self-paced eLearning modules, *odesie* offers a learning solution unrivaled by any in today's marketplace.

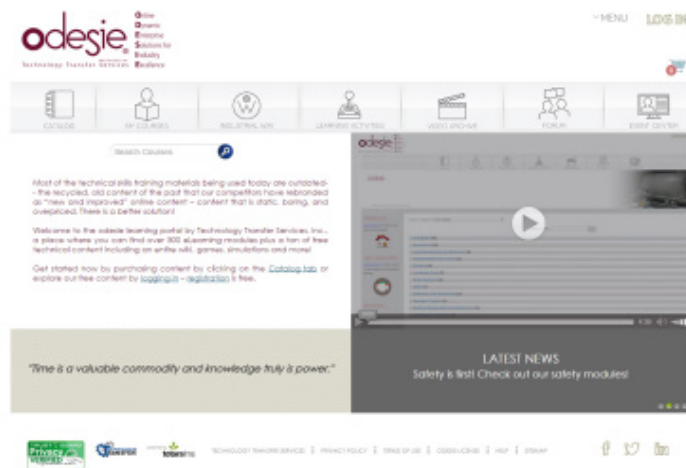

odesie eLearning Module

Time is a valuable commodity and knowledge truly is power – the power to grow professionally, advance your career, and contribute to your organization as never before. Unidimensional training is a thing of the past – surpassed by more engaging and creative ways to transfer skill and knowledge of important industrial topics much more effectively.

TTS believes that the solution is not to try to improve incrementally the ways of the past, but to create a completely new, more powerful, reliable, and engaging learning solution; Online Dynamic Enterprise Solutions for Industry Excellence – *odesie*.

Available 24 hours a day, 7 days a week, *odesie* employs a vast array of media and methods to meet the ever expanding needs of the modern workforce.

- Hundreds of eLearning modules ranging from foundational content to advanced training
- Extensive supporting materials including dozens of industrial-based videos
- An expansive industrial wiki
- Entertaining and instructive learning activities
- Avatar-based virtual world learning
- Topic and idea discussions
